- Integral emergency versions

FluorelLighting
Lighting for a brighter future

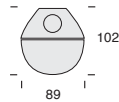

**Fluorel Lighting is a leading supplier
of innovative energy efficient lighting**

Designed for use where IP65 protection is required, this robust luminaire consists of a light grey polycarbonate body with integral gasket and smooth clips securing a clear moulded polycarbonate prismatic diffuser. The smooth wipe clean design make this ideal for food preparation areas, breweries and laboratories as well as car parks, plant rooms and other industrial areas.
